Dear Sir / Madam:

I read about United Poultry Concerns commitment to ban forced hen molting, and want to let you know that I fully support their petition. I was shocked to read about the animal abuse going on in the egg industry - starving hens and withholding water. How dare we make these poor animals the victim of 'our' (if any, I only eat cage-free eggs) over consumption!!!

I'm glad United Poultry Concerns is fighting this worthy cause, and I sincerely hope they will succeed!

With best regards,

Maaiké Banning
